

Former police employee honored

11 Dec 2009 — Bucks County Courier Times

BUCKS BRIEFS

The Middletown supervisors issued a proclamation of appreciation at Tuesday's meeting to former police department employee Ethel Hays, who retired Nov. 30 after 30 years of service.

Hays started in the records department in 1979. Over the years, she managed the first computer file system for the police, handled requests for documents and performed many other duties. The proclamation lauded her for her exemplary and dedicated work over the years.
