

## **Missing in action**

*14 Oct 2009 — Bucks County Courier Times*

Unfortunately, it looks like there will not be any debates in Middletown this year.

On behalf of my running mates, Pat Mallon and Drew Kreiling, I wrote to the League of Women Voters requesting they moderate a debate, but they had to turn us down due to schedule conflicts.

The true loser in this situation is the voters as they are being denied the ability to see all the candidates at the same time, ask questions and make a decision prior to Election Day.

There is still time. I urge our opponents to accept this invitation to debate on WBCB during the "Speak Your Piece" show.

With only a few weeks left until the election, anything else would be doomed to failure due to logistics.
